

Ladies, Lunch & Literacy

Ladies, Lunch, and Literacy is an off-site event program focused on inviting selected authors to lunch in a personalized setting while benefitting non-profit literacy programs that focus on at-risk teens.

The objectives of this program are:

-  To bring new and emerging authors to reading communities and book group participants and leaders. The author's book is included in the price of the event.
-  To create buzz and book group interest for new authors
-  To support non-profit literacy-based organizations and introduce LLL members to organizations in their communities
-  To introduce attendees to local independently owned venues for lunch
-  To promote Mysterious Galaxy's second location in Redondo Beach (Opening in Summer 2011)

Some of the authors who have participated in the program since its inception in 2008 include Lauren Groff, Marisa Silver, Selden Edwards, Kathryn Stockett, Tess Callahan, Beth Hoffman, Sarah Blake, Lisa Grunwald, Pete Nelson, Caroline Leavitt, and Eleanor Brown.

There are now three LLL locations available to host authors: Manhattan Beach, Los Angeles (West Side), and San Diego. Authors may be invited to events at one or all locations.
