

Mysterious Galaxy's Signed First Editions Programs

Mysterious Galaxy offers three special programs to our customers interested in Signed First Editions. Both are designed to help readers add books we feel offer special merit to their collections:

- ❖ The emphasis of the **Signed First Mystery Program** is on debut mystery titles.
- ❖ The **Signed First Editions Program** spotlights speculative fiction titles of interest, not always by debut authors.
- ❖ **Ladies, Lunch, and Literacy** selects debut novels of particular merit for participation in lunch events benefiting local non-profit organizations. Signed First Editions are offered via email newsletter to all Mysterious Galaxy customers.

The Details

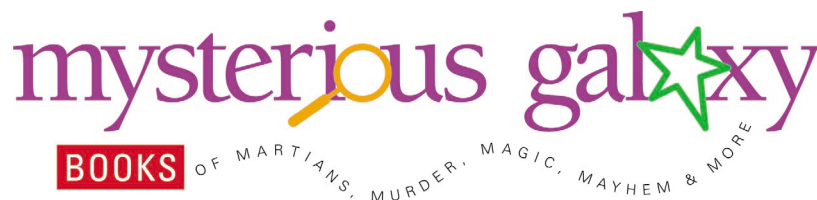

We select four to six debut mystery titles and speculative fiction hardcovers each year.

- ❖ We read and embrace these books before we include them in the selection. We may, occasionally, include a book that we feel is so good that our customers must have it, even if it is not a first mystery/speculative fiction title.
- ❖ We arrange to have these books signed and whenever possible, try to arrange in-store author events to maximize the exposure of these titles to our customers.
